General Program/Event Information

Program/Event Name:

November Merage Mixer

Description of Program/Event:

On behalf of the Merage Financial Management Association we are requesting AGS assistance to help put together a social mixer for all graduate students who are part of the Merage School of Business. This includes full-time, part-time, executive, MD/MBA, engineering, and biotech students who are taking business coursework at Merage. We also have a number of foreign exchange students from areas as diverse as Italy, France, and Hong Kong that are taking fall courses and are very interested in developing closer ties with their UCI classmates.

We would like to host our event at Classic Q's Bar and Grill off MacArthur Blvd in Newport Beach. They have a private room we would like to book that has TV's, pool tables, and dart boards. We would also like to cater some food for those attending the event as well.

Lastly, we plan on organizing a charity pool tournament with proceeds going to the business school's Challenge for Charity program which supports local charities such as Special Olympics and Junior Achievement.
