Dear Graduate Students,

If you are interested in planning social and cultural events, run for the position of VP of Social Affairs. As VP Social, you will manage a budget funded by student fees to organize events, improve the graduate student experience, and promote engagement in student government.

Similar to our previous elections for the 2017-2018 VPs, the election will be held during one of our regularly scheduled council meetings and will consist of a 2 minute speech and a 3 minute Q&A from members of the AGS council. Only AGS Council members can vote, but all graduate students can run for the VP Social position. If you cannot attend the meeting, you can call in or participate via video conference as others have done before.

All interested candidates are encouraged to volunteer/lead/attend a Welcome Week 2017 event. These events have been organized by your current elected AGS officials and will give you the opportunity to ask questions about AGS operations and to meet the current leadership. None of this is a requirement, but just an invitation to test out the waters of organizing large scale events at UC Irvine.

**Pay:** $500/month (October 2017-June 2018)

**Election Date:** AGS Council meeting on Tuesday, Oct. 10 at 6pm (Location: TBD)

**Official Job Description:**

- Work with the Social Committee to bring social, cultural, and service events and programming to the graduate and professional student community
- Oversee efforts to bring a wide variety of programming to students, including but not limited to the AGS Coffee Cart, hiking and outdoors activities, the Explore event series, the Happy Grad Project, Family friendly events, and more
- Represent graduate student’ interests and needs on planning committees for campus-wide events like Graduate Student Orientation
- Plan outreach programs and events that support graduate students’ health and well-being, academic success, and social lives

To declare your candidacy, do one of the following:

- Email Michelle Chan (president@ags.uci.edu)
• Attend the AGS Council meeting on Tuesday, Oct. 10 at 6pm and declare your candidacy during the nominations period
